## What's New at CUNA Mutual Group?

A recent CUNA Mutual Group survey of the middle class found that, when asked to grade their ability to achieve the American Dream, the middle class gave themselves a B-minus, which suggests somewhat of a positive outlook. The same study found that 62 percent of the middle class is confident about its finances, and close to half of respondents (46 percent) don't anticipate missing any loan payments in the next two years. ## CU\*Answers and CUNA Mutual Group Partner to Deliver Protection Advisor Connectivity

As of February 2019, we are happy to announce a partnership between CUNA Mutual Group and CU\*Answers to deliver a connectivity solution to Credit Union Lenders that use Protection Advisor.

This integrated solution with CU\*Answers addresses:

- Lender Sign-On
- Opening new quotes for GAP and MRC products
- Sending GAP and MRC quote data from Protection Advisor back into the CU\*Answers Loan Origination System.

The Solution is available for CU\*Answers Loan Origination System and new or existing Protection Advisor users.

If you are interested in adding Protection Advisor connectivity for our mutual Credit Union clients, please contact [Dan Fandrey](#).
